HMS Class Reunions

Save the date for the 2008 class reunions, **June 5-8th**. For more information, please click [here](#).

Our campus is a legendary place with a long history, and we continue to add state-of-the-art equipment and facilities. Our campus symbolizes the opportunities we have to shape the future of medicine.

As a graduate of Harvard Medical School, you are already a member of one of the most powerful networks of its kind in the world—the Harvard Medical Alumni Association. Are you taking advantage of all it has to offer? As your elected alumni council, we invite you to explore these pages to learn how your affiliation with HMS can benefit you.
